

## **Christmas Trees 2018 - Important Update**

Firstly, thank you for purchasing a Christmas tree / trees this year. There has been a very good response and we will be saying a formal thank you to all who have purchased trees via the DY Facebook page once the trees are up and the lights are on. We are confident that, with your investment, the village will look fabulous again this year.

**Please see the information below which explains the next steps:**

- All trees will be delivered to the Old Dairy, Llys Tawel, Ystradgynlais, SA9 1BL (Matthew's yard next door to the old Mason's Arms) on 14<sup>th</sup> November
- **If you are dressing your own tree:**
  - Trees will be available for dressing at Matthew's yard between 9a.m. and 3p.m on 15<sup>th</sup>, 16<sup>th</sup> and 17<sup>th</sup> November. You will need to ensure your lights are working before being put on the tree. Lights will need to be attached with ties which will be provided. Once dressed you will need to ensure your tree is labelled with your name and the address of your business. Please do not remove your tree from the yard. There will be a DY volunteer at the yard to help with any queries.
- **If you have paid to have your tree dressed:**
  - Your tree will be dressed by a DY volunteer. You will need to check your lights are working. You will then need to bag and label your lights and leave them with Ams at the Temp Fish Bar by the 14<sup>th</sup> November.

***You are responsible for ensuring you have a bracket installed on your building. If you do not have a bracket you will need to purchase this from Quids In and ensure it is installed by November 18<sup>th</sup>.***

***If you need lights, these are available from Quids In – you will need 1,000 warm white lights. Brian or Lee know what you need.***

**Trees will be put up on the morning of the 18<sup>th</sup> November.**

Once again thank you on behalf of the DY Team
